Tombstone, Ariz.What has become of that "People's"
ticket in Graham county?It's natural for the Democrats to
disagree. They have no bosses to
fix a prearranged program for their
taking.When you hear a Republican harp-
ing about the pie counter at Tomb-
stone, you can make a note that he is
getting mighty hungry himself.Those Russians and Japs force the
world to lose sight of the war be-
tween the women's clubs in New York
state and elsewhere.Bryan has written to National Dem-
ocratic Chairman Taggart that he will

IT IS A MATTER OF HEALTH

Absolutely Pure
THERE IS NO SUBSTITUTETHE COPPER QUEEN COMPANY
AS AN ISSUE.Word has come to the Review from
Douglas that certain candidates for
the nomination on the Democratic
ticket, especially J. M. Sparks, who
aspires to be supervisor of this coun-
ty, is making his campaign as an
anti-Copper Queen candidate. Just
what Mr. Sparks means by such a de-
claration is not made clear.The Copper Queen Consolidated
Mining Company up to this time has
never been an issue in any political
campaign, either Democratic or Re-
publican. In the past this company
has been content to keep its hands
off of political matters, and, as every
employee of the company can testify,
they have been left free to exercise
their own political preferences as they
saw fit. There has been no announce-
ment of a change in the policy of this
company regarding political matters
in this county, and it is to be presum-
ed that the policy is to continue the
same.The Review further understands
that Mr. Sparks has threatened to
issue circulars attacking the Copper
Queen company, and it has occurred
to us to wonder what line of attack
Mr. Sparks would pursue. A circular
attacking the Copper Queen Com-
pany, it seems to us, would be a piece
of construction work which would be
hard to formulate.For instance, the circular might at-
tack the Copper Queen Company on
the following grounds:

1. For giving preference to Ameri-
can labor.
2. For paying living wages.
3. For working its employees short
hours.
4. For reducing freight rates on
necessities.
5. For paying taxes on its railroad
when it could have taken advantage
of the exemption law.
6. For building libraries and gym-
nasiums for pleasure of its employees.
7. For a record extending over
twenty years during which time the
Copper Queen Company has built up
a reputation for honest, fair dealing
with its employees, which is heralded
from one part of the United States to
the other.

Mr. Sparks might incorporate a few
of the above mentioned points in his
circular, but probably they would not
answer the purpose desired.It is further reported that Mr.
Sparks applied the epithet, "Copper
Queen peons," to some of the Demo-
crats who were present at the mass
meeting at Douglas, and who were
employed by the Copper Queen com-
pany in various pursuits. The insult
was naturally resented. If men who
earn their daily bread by the means
of labor furnished by the Copper
Queen Co. are to be branded by Mr.
Sparks as "peons" and "tools," then
he is casting slurs at three thousand
of the best citizens both at Douglas
and Bisbee.It is to be regretted that Mr. Sparks
has seen fit to make the Copper Queen
company an issue in the primary elec-
tion at Douglas. The Copper Queen
company is asking for nothing at the
hands of the Democratic party, or any
other party, but if the issue is to be
raised, then the "Copper Queen peons"
will win in a walk.The Republicans are apparently tak-
ing some consolation from the report
of the proceedings of the Democratic
mass meeting at Douglas on Wednes-
day. This new born hope is destined
to be short lived. The Democrats
may have family affairs to settle
among themselves at Douglas, but
when it comes time to face the com-
mon enemy they can be depended on
to make one mark at the head of the
ticket that has the sanction of a ma-
jority of the Democrats in convention
assembled.The Gila County Democrats finally
settled their differences, and Shanley
was nominated for sheriff. George
W. P. Hunt, a Democratic wheel horse
in that county, is on the ticket for
the Council.The Bisbee Daily Review has been
designated by the City Council as the
official city paper. All of the official
notices will in the future appear in
the Review. The contract was let to
the lowest bidder and the Review was
that bidder. If you desire to keep
posted on the city ordinances and
proceedings of the City Council, now
is the time to subscribe for the Re-
view.The general public are becoming
decidedly tired of the Printy-Johnson
feud. Notwithstanding the law against
carrying concealed weapons, both bel-
ligerents apparently had their firearms
handy on a moment's notice, notwith-
standing the statement of the Douglas
constable that no guns would be al-
lowed.There can be no doubt that Spain
has been making rapid strides in
modern civilization since Colonel
Roosevelt wrested Cuba from her. We
read of a charming society lady of
Madrid who, although scarcely thirty,
has just been married for the eighth
time.When any candidate for a nomina-
tion on a ticket takes it upon himself
to brand employees of the Copper
Queen company, or any other com-
pany operating in this district, as
"peons" and "tools," he is in a fair
way to have his political scalp taken,
hair, hide and all.Some young Zionite with whose
love-making Dowle's recent order in-
terferes, can take fine revenge by ris-
ing in meeting some fine Sabbath and

way.Special by Leased Wire—the Fast-
est in the World.—Phoenix, Sept. 15.

Hon. Marcus A. Smith was today nom-
inated for Delegate to Congress on the
Democratic ticket by a unanimous
vote of the convention.There is no truth in the report that
Candidate Davis and Senator Elkins
have quarreled over politics. What-
ever the result of the election may be,
West Virginia will remain in the
family.Managers of a newspaper printed at
the Minnesota penitentiary have been
found guilty of swindling. That's the
natural result of allowing crooked
characters in a penitentiary.Russia promises to evacuate Man-
churia on September 8th, 1903. Gen.
Kuropatkin now reports that he is us-
ing every effort to get out only a year
later than that date.The have a new drink in New York
called "the Bishop Potter cocktail."
But the good bishop don't care, for it
is made of the real goods.The wicked Chicago Journal opines
that perhaps the "model pulpit" would
create just as much talk as the "mod-
el saloon" has done.

THE POLITICAL FORUM.

With each succeeding day it looks
more like Stewart Hunt for sheriff.The time for Democrats to settle
their differences is at the primaries.The Tucson Star and the Mormon
editor of the Gila are still bombard-
ing each other. The Mormon has
much the better of the fight.Douglas still continues to be the
center of attraction from a political
standpoint. Mass meeting for the
nomination of candidates for the
primaries was held there Wednesday
evening.Hon. Bo Whitesides, well known in
Douglas, has announced his candi-
dacy for the Santa Cruz county as-
sembly. He was a member of the last
assembly and was one of the active
members of the last session of the
legislature.In the primary held by the Republi-
cans in Globe last week the dele-
gates voted for were agreed upon in
a new way at a caucus meeting. It
was agreed that one hundred names
of Republicans living in the Globe
precinct be placed in a hat. After
this was done it was agreed that
twenty names be drawn from the hat.
These twenty names were printed on
a ballot to be voted for. The ten re-
ceiving the highest number of votes
were elected in the precinct.
